To: Blythe Robinson, Town Manager  
Upton Board of Selectmen  
From: Janice Read Nowicki, Council on Aging Director  
Re: Donations given to the Upton Council on Aging

Over the Holidays the Upton Council on Aging/Senior Center received two donations. A donation from the Burns/Rogers family in the amount of \$25 and a check for \$100 from Shawn and Debra Craig.

I am respectfully requesting that we be able to accept these very generous gifts with much appreciation. I will contact the donors to acknowledge receipt and acceptance of these wonderful gifts that will be used to benefit the seniors in a special way, yet to be determined.

Thank you for your consideration!

*Thanks!  
Janice*
